

**MACMILLAN  
CANCER SUPPORT**

**Hold the date!**

# Primary Care Conference for Hampshire and Isle of Wight

**Tuesday 28th November 2023, 9:30 – 16:00, Southampton**

**Join us at the Wessex Cancer Alliance Primary Care  
Conference in partnership with Macmillan Cancer Support**

**Wessex Cancer Alliance and Macmillan welcome Hampshire and Isle of Wight  
GPs, Practice Nurses, Care Co-ordinators, Social Prescribers and any Primary Care  
team members with an interest in cancer care**

## Conference Objectives

- To bring together a range of Primary Care professionals to share innovation and good practice around earlier cancer diagnosis and personalised care
- To encourage networking and practical discussion through sessions including teledermatology, genomics, prehab and rehab
- To support the objectives of the WCA Early Diagnosis Local Improvement Scheme (LIS) and other key national and local cancer priorities
- To share developments in cancer care and consider the impact for Primary Care
- To highlight the national and local support and resources available to support healthcare professionals and people affected by cancer.
