Partnership

Hampshire, Isle of Wight, Portsmouth and Southampton Violence Reduction Partnership will launch the new Serious Violence Toolkit on Tuesday, 19 March 2023 to support professionals working with individuals and their families impacted by serious violence in the Hampshire, Isle of Wight, Portsmouth and Southampton areas.

This toolkit has been produced to support a co-ordinated approach to tackling and preventing serious violence and understanding its root causes. The serious violence duty means that all partners, statutory and non-statutory have a part to play to reduce violence. This toolkit will explain what that means to you and your organisation.

The launch will be held via three Teams Live webinars, *Serious Violence Toolkit Launch*, which are scheduled for Tuesday 19 March, at 9.30am-11.00am, 1.30pm-3pm and a twilight session at 7.00pm-8.30pm.

Attendance from partner agencies across the Hampshire, Isle of Wight, Portsmouth and Southampton Safeguarding Children Partnerships and Adult Boards is encouraged. Learning will be relevant for professionals from operational to senior management roles.

Delegates attending the free launch event will achieve the following learning outcomes:

- Introduce the Serious Violence Toolkit.
- How the Toolkit will support professional practice.
- Share learning from local cases.
- Explore resources, link to VRU staff and opportunities for further training
