Managing antidepressant use in older people: Getting the balance right

Thu 20 June 2024
12 - 1:30pm

Do you want to understand more about the use of antidepressants in older people?
Are you keen to learn how to safely stop antidepressants?

Please join us for this Wessex antidepressant prescribing masterclass, part of the Health Innovation Wessex polypharmacy programme.

HIOW GPs and pharmacists - this counts as part of the local incentive arrangements
